DISABLED ACCESS FRIENDLY CAMPAIGN

www.disabled-accessfriendly.com

Using ELT to raise awareness about issues affecting people with mobility disability.

The campaign's website provides free EFL teaching material and graded reading texts for skills building, projects or examination practice.

This material also stimulates students to put themselves in the shoes of someone with a mobility disability for a better understanding of their needs and feelings.

The best schools and teachers have always done more than just prepare students for tests. They raise awareness of the world in which we live and try to make it a better place.
