TO: Disabled Access Friendly Campaign

c/o Ms Katie Quartano & Mr Paul Shaw

Dear Ms Quartano and Mr Shaw,

On behalf of the Northern Greece State School English Teachers Association's Board of Directors and EFLT members in state primary and secondary education, we take this opportunity to express our sincerest appreciation for your invaluable contribution to the success of the Thessaloniki EFL teacher-training seminar which we organised on 20th February 2013 at the 1st High School of Ano Toumpa in cooperation with Dr Theodore Maniakas, state school advisor for Central Thessaloniki. All the 118 EFL practitioners in state education who attended your inspired presentation of the what-why-and-how of the Disabled Access Friendly Campaign are deeply grateful to you for suggesting such exciting EFL teaching and learning material in a context aimed at raising public awareness of the needs of our less able-bodied fellow humans.

We should, also, like to take this opportunity to assure you that you have the full support of all the members of our Association in your effort to further strengthen the mission of the Disabled Access Friendly Campaign.

Please, extend our appreciation to your associate in the Campaign, Ms Effie Nabhan, who assisted in the seminar.

Again, thank you for the memorable teacher-training presentation that you so kindly made for our audience!

Sincerely,
Petros Zagliverinos
