12 Polytehniou Street, 104 33 Athens

Suzanne Antonaros

Lilika Couri

We, Suzanne Antonaros and Lilika Couri of Educational & Training Consultants (ETC), pledge our full support of the Disabled Access Friendly Campaign (DAF) to its members on Facebook.

In addition, we intend to make every effort to inform our colleagues who attend the ETC Courses and all Foreign Language professionals and friends of the existence of this campaign and to encourage them to raise their clients' and learners' awareness about the physically challenged.
