

“According to its mission, “the Hellenic American Union is committed to providing equal opportunities for all members of its public and prohibits discrimination on the basis of [...] physical disability [...] in its student admissions, recruitment, employment, evaluation, and advancement policies.”

True to its mission, the Hellenic American Union has always provided for people with disabilities and/or mobility difficulties in all of its services. At the same time, true to its orientation, the Hellenic American Union has been catering for the needs of the EFL teaching community in Greece since 1957.

The Disabled Access Friendly campaign is a commendable original initiative that aims to benefit both of the above audiences.

Therefore, the Hellenic American Union whole heartedly endorses the campaign’s efforts to raise awareness in Language Schools and wishes success to all of its future activities.”
