Moroccan 2011 ILEP Alumnus elected ambassador to DAF organization

Lhassane AIT MANE

Nov 25, 2013 07:50PM

MrAIT MANE has been elected ambassador to DAF organisation recently.

DAF: Disability Access Friendly Campaign is a global organization that promotes awareness among teachers to share best lesson plans and activities that integrate Disability awareness among students. The campaign moto is that schools should not only prepare students for exams, but also and most importantly as active future citizens and agents of change.

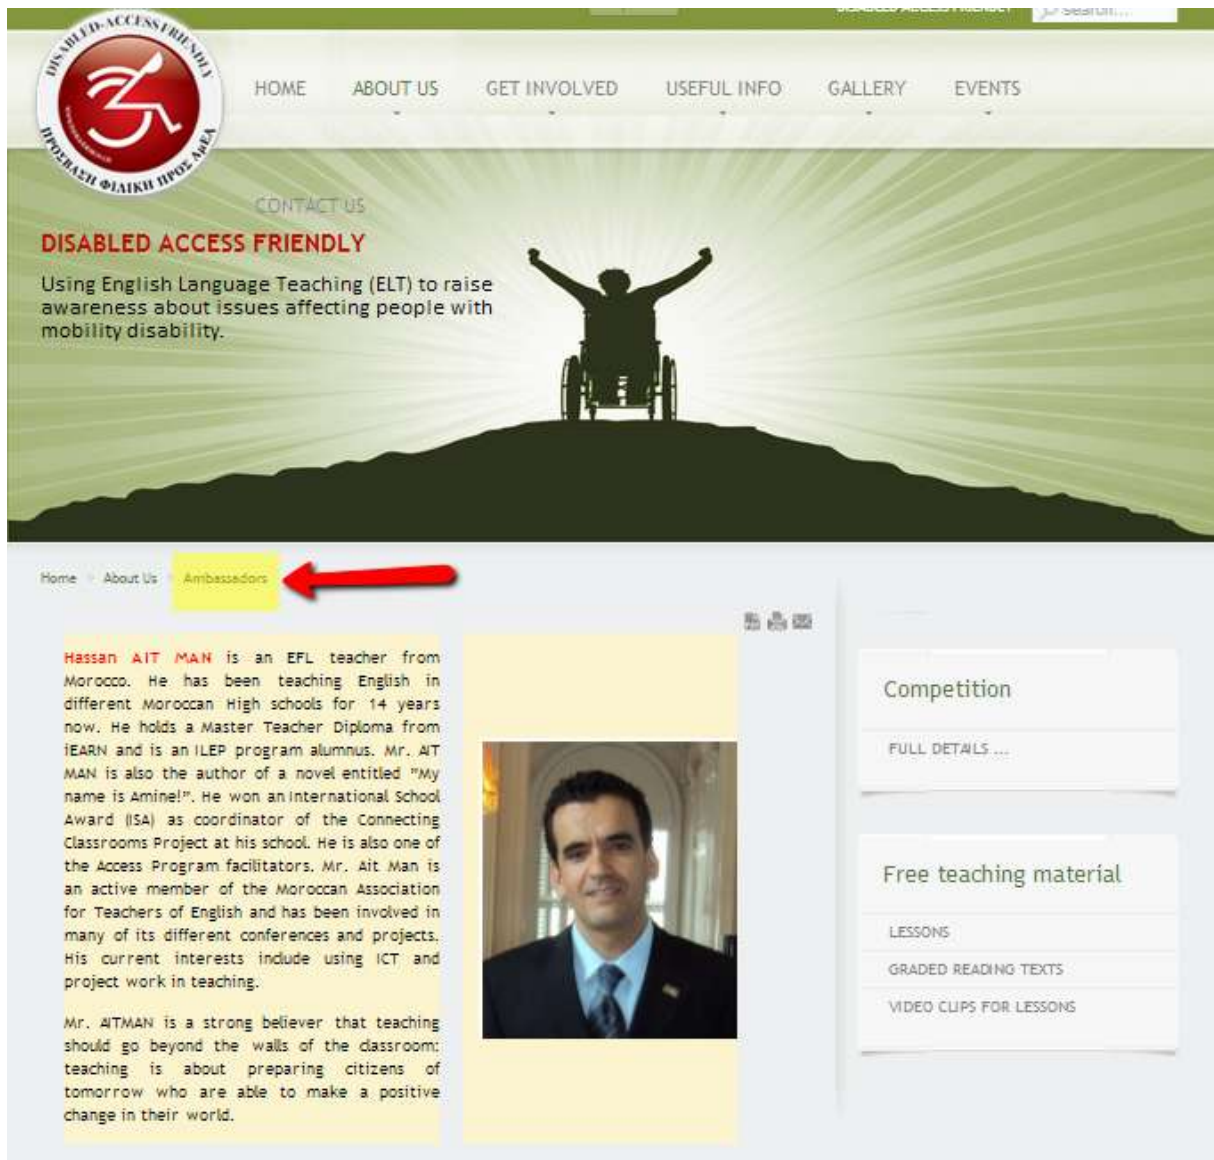

Mr AIT MANE and his classes have been actively involved in activities that raise students awareness to the issue of disability. One of his lesson plan/activity was selected in the competition organised by DAF.
