Message of Endorsement for the *Disabled Access Friendly* Campaign

On behalf of the TESOL Greece Board I pledge our full support of the Disabled Access Friendly Campaign.

TESOL Greece has actively supported and promoted the cause of the Disabled Access Friendly campaign for many years as we believe wholeheartedly in its validity and value.

We inform our members of the existence of the campaign in all our events, we offer information on the issues raised on our website and we welcome the opportunity to raise awareness on important issues such as those of equal rights and dignity of all.
